THE KALOUDIS CUP

PLEASE READ COMPLETELY!!!

Who will win the coveted Kaloudis Cup this year? ALL yudansha, age 50 and over can compete to claim the Cup for their own. Competitors in this division will compete in open-hand kata, as well as weapons kata. Each kata will be performed, judged and scored. The open-hand kata score and weapons kata score will be added, then divided by two (2) to obtain the average score for each competitor. The competitor with the highest average score will be the Kaloudis Cup Winner. There will be only one winner of the Kaloudis Cup, however, medals will be awarded for second and third place. In the event of a tie, there will be a kata competition to determine the winner. There **MUST** be at least three (3) competitors in the Kaloudis Cup division (confirmed via entry form by May 8th) or it will not be held this year.

Yudansha who enter the Kaloudis Cup Division are NOT eligible to compete in ANY OTHER Kata or Weapons divisions. They may, however, compete in kumite and bogu.
